

Momentum Fest 2020 Presenter Application

Thank you for your interest in becoming a Momentum Fest Presenter for our 2020 event!

We look for presenters who believe in and promote our vision of joy, inclusivity, community and celebration in the world of movement. We do not brand, promote or market products or services within classes. Classes are meant simply for movement, encouragement, exploration and fun at Momentum Fest. If you have not attended a previous Momentum Fest, please take a moment to [watch this short promo video](#). It will give you an idea of the kind of experience Momentum Fest is for both teachers and students.

Momentum Fest 2020 is being held June 26-28 in Denver, CO. If you are applying to teach at Momentum Fest 2020 we will assume you are able to travel and join us for those dates.

In the application you will be asked to give an example of three different sessions you would like to teach. This gives us an idea of what you are passionate about and how you would set up a class. When presenters are chosen, we will work with that teacher to flesh out the idea and chose the class that would fit the schedule the best.

Our movement classes are all mat based and taught to upwards of 150 people and are true classes, meaning the presenter talks everyone through an actual movement class. These are not workshops or CEC courses. You can expect a mixture of students, beginners and teachers in your classes at Momentum Fest and the classes need to cater to all of these attendees.

We also offer community talks and roundtables at Momentum Fest. If you have a passion about a certain topic such as community involvement, self-empowerment, body image, vision boarding, self-discovery, etc., please include this in your possible movement sessions.

Please complete this application and return to us by email at info@momentumfest.com with "presenter" in the subject line. Applications are due by October 1, 2019. We will contact all applicants before November 1, 2019, with the outcome of the selection process.

Thank you again for your interest!
